

Childcare Certificate III

CHARLTON BROWN®

we train we place we care

After completing the Nanny Award many students continue to study the Certificate III in Children's Services. You can join at this level if you have completed the pre requisites required. This is a great opportunity to make new friends and colleagues.

The 'prac' focus changes from the home care situation to that of a child care centre. You will be working with larger groups of children. The number of children will vary according to the room you work in and the size of the centre. Your 'prac' consists of two days per week for 5 weeks and 1 full week block. Through this hands-on experience you will get to know how a centre works, the role of an assistant in a centre and the great team experience of a child care centre. This qualification will allow you to work as a Child Care Assistant.

The Certificate III course will make you think a little more about children's growth and development. You will learn how to take observations on children and how to keep parents informed. You will learn the joy of children's literature and discover how fascinating and creative young children are. Enhance Training Certificate III graduates are sought after as Child Care Assistants and Nannies.

Studying Child Care at ENHANCE TRAINING

For those who have a genuine love of children, the child care profession can offer rewarding, fun and exciting job opportunities. There is high demand for qualified and experienced child care workers and ENHANCE TRAINING offers courses that will prepare you for the child care industry.

we train - ENHANCE TRAINING'S courses are Nationally Accredited through RTO Charlton Brown, Australia's leading education provider and agency. All ENHANCE TRAINING courses are recognised around the country.

Australian legislation is changing for professional care industry workers with all carers requiring recognised qualifications.

ENHANCE TRAINING offers certificate and diploma level qualifications for students wishing to gain entry into the child care profession:

- Certificate II in Community Services – Nanny Award
- Certificate III in Children's Services
- Diploma of Children's Services
- Advanced Diploma of Children's Services

Through these courses, you will gain valuable, hands-on experience, putting theory into practice working with children at child care centres.

ENHANCE TRAINING also gives you the opportunity to work and study at the same time, gaining higher qualifications while getting paid.

Certificate III in Children's Services

After completing the Nanny Award, many students choose to continue their study with the Certificate III.

During this course, you will learn about children's literature, discover the creativity of children, learn how to take observations on children and keep parents informed, all while getting experience in a child care centre environment.

Your career opportunities

At the completion of this course, you will be eligible to work as a child care assistant in a child care centre or as a nanny in a family's home.

Further Study Options

Certificate III can lead to other ENHANCE TRAINING courses including the Diploma and Advanced Diploma of Children's Services.

Course duration

Certificate III in Children's Services is a full-time course that is six months in duration with 35 contact hours, five days per week.

Practical Experience

As part of your Child Care studies, you will receive the opportunity to put your theoretical skills into practice in a workplace.

As part of your course you will spend 15 contact hours per week in a child care centre working with children of all ages. This placement will be organised for you by ENHANCE TRAINING.

Benefits you will receive

The Certificate III provides you with the basic theory, hands on skills and knowledge base to successfully enter the child care profession.

we place - On completion of your course, the staff from ENHANCE TRAINING'S placement agency can assist you in finding a rewarding job as a nanny either in Australia or overseas or as a relief staff child care assistant.

we care - The ENHANCE TRAINING team are passionate, highly qualified, industry experienced and qualified professionals who take a personal and hands on approach to teaching.

We believe that students should not be lectured at but rather study in an interactive learning environment. With small class sizes and innovative assessment, students are encouraged to reach their potential through their training.
