

# Part Time Nanny Course

(Non Accredited Training)

ENHANCE TRAINING is able to offer the twelve week Part Time Nanny Course. This course is available in the evenings and is designed for those who are currently in the workforce who may be looking at a career change or for Year 11 or 12 students who are looking to undertake a gap year overseas and looking to combine with a working holiday.

The course is an interactive program with lots of practical activities to gain knowledge of the skills necessary to support families in the home environment.

Topics covered include;

- Pregnancy and birth
- Infant care practices
- Baby, Toddler, Pre school and school Age care
- Illnesses, health and nutrition
- Home management
- Child Development, play
- Safety, child protection
- Employment

On completion of your course, the staff from ENHANCE TRAINING'S nanny placement agency can assist you in finding a rewarding job as a nanny either in Australia or overseas.

The ENHANCE TRAINING team are passionate, highly qualified industry experienced and qualified professionals who take a personal and hands on approach to teaching.

We believe that students should not be lectured at but rather study in an interactive learning environment. With small class sizes and innovative assessment, students are encouraged to reach their potential through their training.
